

DIGITSAVER Product earns Top Honors from Creative Child Magazine for helping parents keep their kids safe at home

Port Orchard, Washington November 16, 2009 Family News

For Immediate Release:

(Digitsaver.com) Port Orchard, WA (November 16, 2009) – The **Digitsaver™ Door Pinch Guard** has been named a recipient of the **2009 Top Choice of the Year Award** in the Safety Parenting Aids Category from Creative Child Magazine’s Annual Awards.

Creative Child Magazine's Baby & Maternity Awards Program is unique in that all products submitted are reviewed by moms and moms-to-be. Products are not reviewed by any one person. They are reviewed by the very people who purchase them. Only one Product of the Year winner is given per category.

“It’s an honor to have the Digitsaver Door Pinch Guards selected for this year’s Creative Child 2009 Top Choice of the Year Award,” said Jeri Homa Keating, Mom Inventor of the Digitsaver Door Pinch Guard and Owner of DIGITSAVER, LLC. “We are thrilled that Creative Child has singled out the Digitsaver Door Pinch Guards for their uniqueness and ability to promote safety in the home.”

About DIGITSAVER, LLC

Since its inception in 2006, DIGITSAVER, LLC has been dedicated to educating parents on safety dangers in the home while finding simple, affordable solutions to aid parents in addressing those issues.

The Digitsaver Door Pinch Guard is a one-of-a-kind, mom-invented, plush children’s safety item providing a solution to one of life’s everyday challenges. Easy to use, it fits on any door knob in your home to keep doors from closing and injuring fingers. It is a quality product which meets all of the Consumer Products Safety Information Act Requirements and is currently available in eight styles.
